

SKCET Academic Regulations & Examination Handbook

Sri Krishna College of Engineering and Technology (SKCET) • Official Knowledge Publication

1. Autonomous Regulations R2022 & Curriculum Structure

SKCET operates under the Autonomous Regulations R2022 and R2020. The curriculum is Choice Based Credit System (CBCS) designed with Outcome Based Education (OBE) principles aligned with Washington Accord standards.

Total Credits for B.E. / B.Tech Degree: A student must earn approximately 160 to 165 credits across 8 semesters to qualify for the award of degree.

Honors and Minor Degree: High-performing students with a minimum CGPA of 7.5 and no history of arrears can register for an additional 18 to 20 credits from Semester 4 to earn an 'Honors Degree' in specialized domains (e.g. B.E. CSE with Honors in AI) or a 'Minor Degree' in another discipline (e.g. B.E. Mechanical with Minor in Data Analytics).

2. Attendance Requirements & Condonation Rules

Mandatory 75% Attendance: A candidate must secure a minimum of 75% overall attendance across all registered courses in a semester to be eligible to appear for the End-Semester Examinations.

Medical Condonation: Attendance between 65% and 74% may be condoned by the Principal / Head of Institution on valid medical grounds, provided appropriate medical certificates and hospitalization records are submitted within 3 working days.

Prevented / Redo Semester: Candidates securing less than 65% attendance are strictly prevented from appearing for the semester examinations, are deemed 'Detained', and must repeat / redo the entire semester in the subsequent academic year.

3. Assessment Pattern & Continuous Internal Evaluation (CIE)

Course Evaluation Weightage: 40% Continuous Internal Assessment (CIA) + 60% End-Semester Examination (ESE), or 50:50 for practical-integrated theory courses.

Internal Assessment: Consists of Continuous Assessment Test 1 (CAT-1), Continuous Assessment Test 2 (CAT-2), model practical exams, digital assignments, mini-projects, and seminar/quiz assessments.

Minimum Passing Criteria: A student must secure a minimum of 45% in the End-Semester Examination and 50% overall (CIA + ESE combined) to pass a course.

4. Grading System & CGPA Calculation

Letter Grades and Grade Points:

- 'O' (Outstanding): 91-100 Marks (Grade Point: 10)
- 'A+' (Excellent): 81-90 Marks (Grade Point: 9)
- 'A' (Very Good): 71-80 Marks (Grade Point: 8)
- 'B+' (Good): 61-70 Marks (Grade Point: 7)
- 'B' (Average): 50-60 Marks (Grade Point: 6)
- 'U' / 'RA' (Re-appear): <50 Marks (Grade Point: 0)
- 'SA' (Shortage of Attendance / Detained): Grade Point 0

GPA Formula: Sum of (Credit x Grade Point) divided by Sum of registered Credits in the semester.

CGPA Formula: Cumulative Sum of (Credit x Grade Point) divided by Total Credits earned up to that semester.

5. Controller of Examinations (CoE) & Exam Grievances

End-Semester Examination Fees: Students must register through the CoE student portal and pay the prescribed fee per paper before the announced deadline.

Revaluation & Answer Script Photocopy: Students unsatisfied with their grades can apply for transparent answer sheet photocopy within 7 days of result declaration. If discrepancies are found, they can apply for formal Revaluation.

Fast-Track Scheme: Final year students with no standing arrears and high CGPA can complete their 8th semester elective credits in 6th/7th semester or via NPTEL/SWAYAM to undertake full-time 8-month industrial internships.
