2. Systematic 4-Year Placement Training Model

Semester 1 & 2: Communication Skills, Personality Development, Business English Certification (BEC), and Foundation in C & Python.

Semester 3 & 4: Data Structures, Algorithms, Object-Oriented Programming (Java/C++), Quantitative Aptitude, and Logical Reasoning.

Semester 5 & 6: Full Stack Web & Mobile Development, System Design, Competitive Coding on LeetCode/HackerRank, and Company-Specific Hackathons.

Semester 7: Intensive Mock Technical Interviews, HR Simulation Rounds, Group Discussions, and Full-Day Corporate Bootcamps.

3. Placement Eligibility & Drive Policies

Eligibility Criteria: A minimum CGPA of 6.0 to 7.0 (varies by company) with no standing arrears at the time of the recruitment drive. Certain Tier-1 companies mandate 70%+ in 10th and 12th standards.

Dream Upgrade Policy: A student placed in a Regular category company remains eligible to participate in Dream, Super Dream, and Marquee company recruitment drives until they secure a higher-tier offer.

Offer Acceptance: Once a student receives a Dream or Super Dream offer, they are committed to that organization to allow fair opportunities for peers.

4. 8th Semester Full-Time Industrial Internship Policy

Students receiving internship offers with stipends exceeding Rs. 15,000/month during campus placements are permitted to undertake full-time 6-to-8 month industrial internships starting from January of their 8th semester.

Semester 8 core project work is evaluated based on industrial deliverables, monthly progress reports, and joint review by the industry mentor and department faculty supervisor.
