

SKCET Student Clubs, Hackathons & Events Guide

Sri Krishna College of Engineering and Technology (SKCET) • Official Knowledge Publication

1. Hackathons & National Competitions (SIH Benchmark)

SKCET is widely celebrated across India for its monumental record in the Smart India Hackathon (SIH) organized by the Ministry of Education, Government of India, having won consecutive national championships and cash awards totaling lakhs of rupees.

The college houses a 24x7 Hackathon Incubation Lab equipped with high-end GPU workstations, 3D printers, IoT hardware kits, and mentor rooms for prototype building.

Internal Hackathons: The college hosts 'SKCET Innovate', 36-hour non-stop coding sprints, and industry-sponsored hackathons by Virtusa, Zoho, and AWS.

2. Active Technical Clubs & Professional Chapters

- Google Developer Student Clubs (GDSC SKCET): Workshops on Flutter, Cloud, AI, and Android.
- SKCET Coding Club & Hack Club: Weekly competitive programming contests, algorithmic problem-solving.
- Robotics & Mechatronics Society: Autonomous rover design, drone technology, line followers.
- SAE India SKCET Collegiate Chapter: Designing BAJA, Supra, and Electric Vehicle (EV) race cars.
- IEEE Student Branch & WIE (Women in Engineering): Technical paper presentations, international conferences.
- ACM & CSI Student Chapters: Open-source software development and database hackathons.

3. Cultural Extravaganza — 'Dhruva' National Fest

Dhruva is the signature annual inter-collegiate cultural and technical festival of SKCET, hosting over 10,000+ student participants from engineering colleges across South India.

Key Events: Western Music, Battle of Bands, Choreonite, Fashion Show, Gaming Tournaments (Valorant, BGMI, FIFA), RoboWars, Street Play, and Celebrity Concert Nights with renowned playback singers and artists.

4. Extension Activities & Social Responsibility

National Service Scheme (NSS): Village adoption, tree plantation drives, medical camps, rural literacy missions.

National Cadet Corps (NCC): Army and Naval wing training with parade grounds, weapon training, and B/C Certificate exams.

Youth Red Cross (YRC) & Rotaract Club: Blood donation drives (over 1,000 units donated annually) and disaster relief initiatives.
